February 2014

Caring for our Community

Organized 1966

5 Time Winner of

Myrtle Beach Herald's

Non-Profit of the Year Award

Welcome to February! Let's hope this month has a little more sun and nobody misses anymore work or school. Sorry this newsletter is a little late. I really lost track of time with all of the crazy weather last week.

Many thanks to Susan Sparks for letting us use her beach house to jump start our kick off meeting for Polos & Pearls. Thanks to everyone who came, and had so many great new ideas. I think we learned a lot from last year's event and

hope that we can improve. Let's make this year as an even bigger and better event. We have exactly two months to make this Polos & Pearls a success, so put your best foot forward. Please start working on your list for auction items both silent and live, and let Glenda know if you have anymore ideas to help us make this a huge night. Your *Save the Date* cards, etc. will be available at our General Meeting on the 13th of February. If you have any questions, please get in touch with Glenda. Remember we have programs left over from last year. This would be a good reference when talking with someone about sponsorships or just to let people know about our event. Make sure everyone you talk to knows how great the band, *Too Much Sylvia*, will be, and their music covers just about anything and everything anyone wants to hear. We will be meeting every Monday at the Fire Station on 38th Avenue at 6:00 pm starting March 3rd and ending March 31st. These meetings are extremely important so please try and come to as many as possible.

February 2014 Calendar

5th - Board of Directors
@ 6 pm Fire Station
on 38th Ave.

13th - General Meeting
@6:00 pm Fire Station on
38th Ave.
Hosted by the
Conservation Committee

Our February General meeting will be hosted by the Conservation Committee. It will be held at the fire station on 38th Avenue. Refreshments at 6:00 pm, and meeting will start at 6:30 pm. This will be our Valentine's Day celebration so please try and attend. In addition to our celebration, we will need to make final decisions regarding Polos & Pearls in order to get flyers and tickets printed.

It's that time of year again!! The Nominating Committee will be chaired by our Parliamentarian and Past President, Jackie Vereen. No less than three Past Presidents with active status, along with two active members will meet to prepare a list of candidates for the upcoming 2014-2015 year. A list of women who have agreed to run for an office will be presented at the March General meeting, and voted on by ballot at the April General meeting. Please take time to submit your request of intent for an office to Jackie now. If you do not wish to run for an office please consider being on the Nominating Committee and let Jackie know of your intent.

Our Membership Drive begins in March. If you know of anyone interested in joining our group please have them fill out an application and return it to our Membership Chair Gail Ward. We ask all our applicants to come to a General meeting so they can have an idea of what our club is all about, and we as members can have the pleasure of meeting and talking with these ladies. Hopefully our new website and Facebook page will be up and running, and anyone interested will be able to get an application through this media.

We continue to keep Adele Meyers and Jayne Lawson in our thoughts and prayers. Please keep in touch with these ladies.

Hope all is well. Happy Valentine's Day to each of you. Take care!

~Judy

General Meeting

January 9th, 2014

Donation to Ground Zero for their Coffee Bar. Scott Payseur, President & Founder of Ground Zero, accepting the check for \$5,000!

Our very own Krispy Kreme gal, Laura Joseph, bringing the doughnuts to keep us going at the Polos & Pearls Planning meeting held at Susan's beach house in January! Thanks to all who attended and shared many wonderful ideas, as well as, great food and fellowship.
